THE AWARDS:

The **Jay Loucks Memorial Scholarship award** is presented annually in the amount of \$500.00. This award was created with the help of Jay's former teammates, the Intermediate Lakers. The funds were raised by the team, via donation at the memorial games they have held for him. The PMLA would like to thank: all the players for raising this money; Jay's family for their many donations; Jay's friends for coming out to the memorial games and donating what they could to the cause; and anyone else who was touched by the story and donated money on Jay's behalf.

The **James Johnston Memorial Scholarship award** is presented annually in the amount of \$200.00. This Memorial Award was created by the Peterborough Minor Lacrosse Association in memory of James Johnston, who was tragically taken from us in 1993. James Johnston was a tenacious lacrosse player who was very well respected by his teammate and opponents.

The **Chris Fee Memorial Scholarship award** is also presented annually in the amount of \$200.00. This Memorial Award was created by the Peterborough Minor Lacrosse Association in memory of Chris Fee, who was tragically taken from us in 1988. Chris Fee played the game of lacrosse with incredible passion and skill. He too was well respected by his teammates and opponents.

Thank you!

Sincerely,

Lisa Hiltz, Scholarship Chair
